Gérald Ghislain wrote his own story with the frantic rhythm of a passionate jack of all trades.

An epicurean, he tastes all of life's savors, sprinkling his daily life with refined luxury. He gives his all to his projects. Gerald founded Histoires de Parfums in 2000 and created a collection of rare and delicate perfumes.

An olfactive library that is telling stories about famous characters, raw materials and mythical years. The collection created by Gérald Ghislain is governed by no rules other than inspiration.

With his luxuriant imagination, this loquacious individual has chosen to bring his stories to life in perfumes, a sensitive and sensual medium.

Histoires de Parfums releases its fragrances in a Deluxe edition to be read on skin.

Histoires de Parfums' perfumes perpetuate the French perfumery know-how, which features are luxury, nobility and creativity. Histoires de Parfums offers fragrant novels, musical scores and poems.

In this collection you can meet extraordinary characters, discover the most exquisite materials in the world of perfumery, delight in poetry from both the Orient and Occident, encounter sublime divas...

*« I have always felt that perfume awakens emotions that go beyond that which words can express. There is no rhyme or reason to the way perfume make us feel. This primary, instinctive emotion takes us to the very core of our memories and reveal our true personality. I made Histoires de Parfums 18 years ago to tell the stories of exceptional individuals, whose stories do not exist until they are on the skin. »*
