

LERBALISTA

Travel has always been synonymous with discovery and personal enrichment. An experience that through colors, tastes and traditions significantly changes the way we see and experience everyday things.

Welcome to the world of LERBALISTA - Body & Spirits, where nature and creativity combine in a unique and original way, creating a perfect combination for body and mind.

Original blends of fragrances interpret the most familiar body care products. At the same time, such olfactory notes are transformed into cocktail recipes with an unforgettable aroma and taste. This is the magic of talented mixologist Oscar Q, renowned for his ability to create unconventional drinks. His originality lies in transforming these recipes into fragrances, giving the opportunity to be enveloped by a cloud of scent that leads back to the pleasure of the palate.
