GROUND-BREAKING LUXURY SKINCARE BRAND

Natura Bissé is a globally renowned luxury skincare company. Founded in Barcelona in 1979, is now passionately managed by the second generation of the Fisas family.
Thanks to the expertise of skilled aestheticians, Natura Bissé understands that every skin has its own voice. This belief is the essence of the brand's DNA, which fuses pioneering technology with the most delicate human touch in order to listen and adapt to the differing needs of each and every guest.
The constant pursuit of excellence has led Natura Bissé to receive numerous awards including a three-time recognition as the "World Best Spa Brand" at the 2018, 2019 and 2020 World Spa Awards.
With subsidiaries in Spain, United States, Mexico, United Kingdom and China and presence in 40 countries, Natura Bissé continues to expand around the world throughout the most distinguished luxury retailers and best-in-class spas.
True to its values of commitment to giving back, the brand helped establish the Ricardo Fisas Natura Bissé Foundation in 2008 to contribute to the well-being of people in vulnerable situations.

CHARITABLE AMENITIES

Natura Bissé allocates all profits of these amenities to the Oncology Aesthetics Program of the Ricardo Fisas Natura Bissé Foundation, an initiative that offers free advice and skincare treatments to help oncological patients feel and look better, thereby improving self-confidence and self-esteem. This program also addresses further objectives such as consolidating oncological aesthetics specialization through training courses for beauty therapists; encouraging volunteerism in the field, establishing partnerships with hospitals and patient associations and making the importance of oncological aesthetics known to others.
